

This site uses cookies – small text files that are placed on your machine to help the site provide a better user experience. In general, cookies are used to retain user preferences, store information for things like shopping carts, and provide anonymised tracking data to third party applications like Google Analytics. As a rule, cookies will make your browsing experience better. However, you may prefer to disable cookies on this site and on others. The most effective way to do this is to disable cookies in your browser. We suggest consulting the Help section of your browser or taking a look at the [About Cookies](#) website which offers guidance for all modern browsers

COOKIE & PRIVACY POLICY

A cookie is a small text file that is temporarily stored on your hard drive. Cookies are used by the majority of all websites and in some cases cookies are the only way to make a website function as intended.

A cookie contains a randomly generated ID, which makes it possible to recognize your computer and gather information about which pages and functions your browser is visiting. Cookies cannot see who you are, what your name is nor where you live. The cookie file is passive and cannot spread any computer viruses or other malware.

Cookies for statistics

Olomagic use Google Analytics, Facebook and LinkedIn to gather statistics about the user's behavior on the website. The information is used to understand how our users use the website in order to improve it.

Reject or delete cookies

You can always reject cookies on your computer by changing the settings in your browser. Wherever you find the settings depend on which browser you are using. However, be aware that if you reject cookies, there are many features and services you cannot use, because these are dependent that the website remembers the choices you make.
